2. Fill out course information in the 'Add Course' pop-up. Once all the information is filled-out click 'Add' button.

The screenshot shows a web application interface with a dark sidebar on the left containing navigation links: 'Admin Test ADMIN', 'Home', 'Courses', and 'User Management'. The main content area is titled 'Courses' and features a list of course cards. Overlaid on this is a white 'Add Course' modal form. The form contains the following fields: 'Course Name' (with a red error message 'This field is required'), 'Course Start Date' (with a calendar icon and a red error message 'This field is required'), 'Course End Date' (with a calendar icon and a red error message 'This field is required'), and 'Course Description' (a text area). A green 'Add' button is at the bottom of the modal. The background shows a list of courses with details like 'Started 4.01.2016', 'Course ended in: 4.30.2016', and 'Course ends in: 8 days ago'. A footer at the bottom reads 'Copyright Progress Bound © 2016'.

## Editing Course Information

1. From a course page, click the edit icon on the upper-right side of 'Course Info' box.

The screenshot displays a course page for 'Test Course 1'. The sidebar on the left is identical to the previous image. The main content area shows the course name at the top. Below it is the 'Course Info' section, which includes a 'Description' field with placeholder text, a 'Status' field showing 'COMPLETE', and 'Start Date' (4.01.2016) and 'End Date' (4.30.2016) fields. An 'Edit' button with a pencil icon is located in the top right corner of the 'Course Info' box and is highlighted with a red rectangle. Below the 'Course Info' section is a 'Lectures' section with an 'Add Lecture' button and a list of three lectures, each with a title and placeholder text. The browser's address bar at the bottom shows the URL 'localhost:9000/course/5751d7353347cc38993651bb#modal-form'.

2. Edit the course information on the 'Edit Course' pop-up.

The screenshot shows a dashboard with a dark sidebar on the left containing a user profile 'Admin Test ADMIN' and navigation links for 'Home', 'Courses', and 'User Management'. The main content area is titled 'Course na' and displays course details: 'Course Info', 'Description' (with placeholder text), 'Status' (set to 'COMPLETE'), and 'Lectures' (listing three lectures with placeholder text). An 'Edit Course' pop-up form is centered over the course details. The form includes fields for 'Course Name' (containing 'Test Course 1'), 'Course Start Date' (04/01/2016), and 'Course End Date' (04/30/2016). It also has a 'Course Description' text area with placeholder text and a 'Status' section with radio buttons for 'INACTIVE', 'ACTIVE', and 'COMPLETE' (which is selected). An 'Edit' button is located at the bottom of the pop-up. The background is dimmed to highlight the pop-up form.
