2. Fill out course information in the 'Add Course' pop-up. Once all the information is filled-out click 'Add' button.

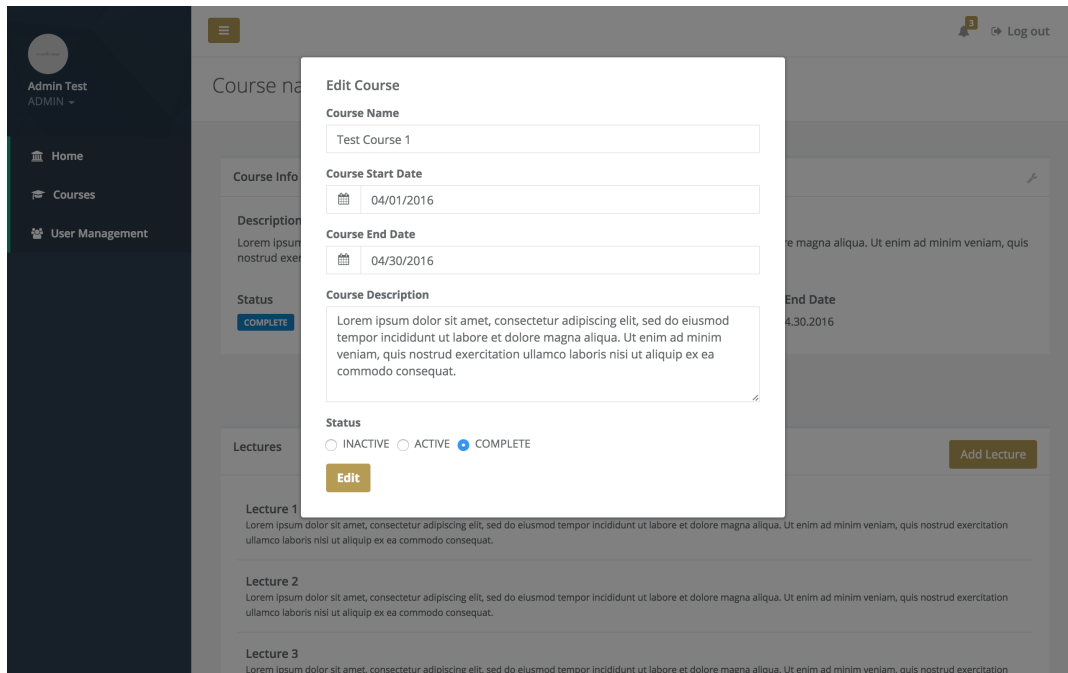

The screenshot shows a web application interface with a dark sidebar on the left containing navigation links: 'Admin Test ADMIN', 'Home', 'Courses', and 'User Management'. The main content area is titled 'Courses' and features a list of course cards. Overlaid on this is a white 'Add Course' modal form. The form contains the following fields: 'Course Name' (with a red error message 'This field is required'), 'Course Start Date' (with a calendar icon and a red error message 'This field is required'), 'Course End Date' (with a calendar icon and a red error message 'This field is required'), and 'Course Description' (a text area). A green 'Add' button is at the bottom of the modal. The background shows a list of courses with details like 'Course ends in: 8 days ago' and 'Course ended in: 4.30.2016'. A footer at the bottom reads 'Copyright Progress Bound © 2016'.

## Editing Course Information

1. From a course page, click the edit icon on the upper-right side of 'Course Info' box.

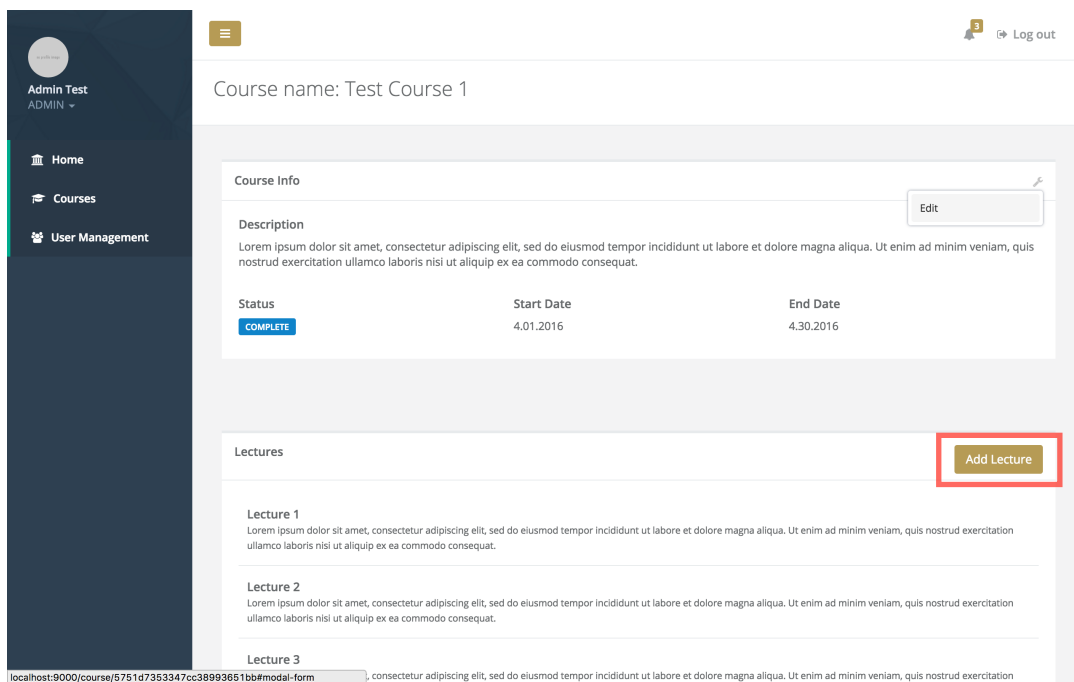

The screenshot displays a course page for 'Test Course 1'. The sidebar on the left is identical to the previous image. The main content area shows the course name and a 'Course Info' box. The 'Course Info' box contains a 'Description' field with placeholder text, a 'Status' field with a 'COMPLETE' button, and 'Start Date' (4.01.2016) and 'End Date' (4.30.2016) fields. An 'Edit' button with a pencil icon is located in the top right corner of the 'Course Info' box and is highlighted with a red rectangle. Below the 'Course Info' box is a 'Lectures' section with an 'Add Lecture' button. The 'Lectures' section lists three lectures, each with a title and a description. The bottom of the page shows a URL bar with the text 'localhost:9000/course/5751d7353347cc38993651bb#modal-form'.

## 2. Edit the course information on the 'Edit Course' pop-up.

## Adding and Editing a Lecture

### 1. Click 'Add Lecture' button

2. Fill out the forms with the content of a lecture.

The screenshot shows a web application interface for adding a lecture. On the left is a dark blue sidebar with a user profile 'Admin Test' and 'ADMIN' role, and navigation links for 'Home', 'Courses', and 'User Management'. The main header area shows a hamburger menu icon and a 'Log out' link. The page title is 'Add lecture: Test Course 1'. The 'Add Lecture' form contains three main sections: 'Lecture Name' with a text input field and a red error message 'This field is required'; 'Lesson Description' with a large text area; and 'Video URL' with a text input field. Below these is a rich text editor with a toolbar containing buttons for bold, italic, underline, strikethrough, link, unlink, list, and more options, followed by a large text area for the lecture content.
